

## Summary of Your Educational Experience by Years UNO Admissions Office

What we wish to obtain is a chronological record of your school attendance, showing when you started school, how far you went, the classes you attended, the kind of schools you attended, the certificates you earned, the examinations you passed, and your graduations.

As you complete the form, please consider the following:

1. Use ink and print very legibly. **DO NOT EQUATE** your education to the U.S. system.
2. In column one fill in the calendar years, that is, write in the appropriate year on each line for every school year you attended.
3. In column two write your age. Perhaps you were six years old when you went to school for the first time, so write six on the first line; continue by putting your correct age for each grade you attended.
4. Column three represents the actual years you attended school. Your first year is No. 1, your second year is No. 2, etc.
5. In column four write for each school year the standard grade, form, class, sixieme, cinquieme, sexta, quinta, or whatever may be the name of the class or level you attended that year.
6. In column five write the kind of school you attended such as Grammar School, Lycee, Senior Middle School, Grundschule, Volkshule, Mittelschule, gymnasium, Realgynasium, Ecole Superieure, Trade School, College Preparatory, High School, Teacher's College, University, etc.
7. In column six write the name of any examination(s) you passed or certificate(s) you obtained at the end of that school year. For example, if you completed high school at the close of your twelfth year, on that line write "G.C.E.", "Bachillerato", "Artium", "Baccalaureate", "Reifezeugnis", "Abitur", "Higher School Certificate", "Hong Kong Certificate of Education", "International Baccalaureate", etc., whatever is applicable in your case. **DO NOT TRANSLATE YOUR CERTIFICATES, EXAMS, OR GRADUATIONS INTO ENGLISH. USE YOUR HOME COUNTRY LANGUAGE TO IDENTIFY THAT CERTIFICATE.**
