

PALAVAS-LES-FLOTS

Less than 10 miles from Montpellier, the beautiful beach of Palavas is easily accessible via tram or a short Uber ride, making it a perfect place to visit after classes. You can either relax at the beach or head inland to check out the gelato shops, cafes, and other shops. Palavas is well known for their seafood, so be sure to have at least one meal there this summer.

Want to explore the town on 2 wheels? Check out Cycloloc (49 Rue Sire de Joinville) where you can rent a bike for the day or a few hours.

Up for some mini golf? There's a small course right on the beach.

Left: Mussels at Restaurant Au Poisson Bleu, a must-eat in Palavas.

Right: But be sure to save room for dessert or just cool off at any of the gelato shops in town!
