

Scholarships and Fellowships

Council on Social Work Education

Deadline: 2/28/2018, 8/1/2018 (Tentative)

CSWE provides several funding opportunities for students and faculty members in the social work field. The Minority Fellowship Program supports minority master's (TBD) and doctoral (TBD) students preparing for leadership roles in the mental health and substance abuse fields. The Carl Scott Memorial Book Scholarship (TBD) supports students who have demonstrated a commitment to work for equity and social justice in social work.

LINK: [CSWE](#)

Visiting Scholarships, Graduate Fellowships, and Undergraduate Internships

Field Museum of Natural History

Deadline: 2/28/2019, 8/15/2018, 10/15/2018

Supports use of the Field Museum collections, with a preference for projects in anthropology, botany, geology, and zoology. Awards are for travel and subsistence for students and professionals (for short-term support) and for extended visits by distinguished scientists. Project types include: Postdoctoral Positions (8/15/18); Graduate Fellowships (2/28/19); Bass Senior Visiting Fellowships (10/15/18); and Visiting Scholarships (11/29/18).

LINK: [FIELD MUSEUM](#)

Army Educational Outreach Program Apprenticeships

U.S. Department of Defense

Deadline: 2/28/2019, 5/1/2019 (Tentative)

Supports high school, undergraduate, and graduate students looking to conduct STEM research with sponsored scientists at various institutions nationwide. Programs for undergraduates include: Undergraduate Research Apprenticeship Program; and College Qualified Leaders. Programs include stipend, and provide experience developing and presenting new scientific research, as well as introduces students to Army specific scientific interests. Programs open from November to January, and applications are due in late February to March, specific due dates vary by program location.

LINK: [USAEOP](#)

Graduate Grants-In-Aid and Senior Undergraduate Program Equipment Grants

American Society of Heating, Refrigerating & Air Conditioning Engineers

Deadline: 3/1/2019, 12/1/2019

Graduate Student Grants-In-Aid (annual deadline: 3/1) provide up to \$10,000 to support living expenses, tuition, travel to ASHRAE meetings, experimental equipment, and supplies for 10 to 25 graduate students to encourage their continued preparation for service in the HVAC&R industry. Senior Undergraduate Engineering, University-Specific, Regional/Chapter and Engineering Technology Scholarships (annual deadline: 12/1) vary in description; provides up to \$5,000 for equipment and supplies for senior projects and two-year technical school projects that focus on ASHRAE-related topics. Scholarships and other programs also available.

LINK: [ASHRAE](#)

Curatorial Grant Program and Fellowships

Andy Warhol Foundation for the Visual Arts

Deadline: 3/1/2019, 9/1/2019

Supports curatorial programs at museums, artists' organizations and other cultural organizations that originate innovative and scholarly presentations of contemporary visual art. Projects may include exhibitions, catalogs, education, audience development, and other related activities. Also supports creation of work through artist in residence programs, the work of choreographers and performing artists when the visual arts are an element of a production, and equitable access to resources. Awards generally range from \$10,000-\$200,000. Fellowships up to \$50,000. Annual deadlines: 3/1, 9/1.

LINK: [Warhol Foundation](#)

Mid-Career Fellowships

Council on Foreign Relations
Deadline: 3/1/2019, 10/31/2018

Provides opportunities for mid-career foreign policy professionals, including those from academia, to exchange positions with government officials and broaden their experience in the field of international affairs. Fellowships include: Edward R. Murrow Press Fellowship (3/1/19); International Affairs Fellowship; International Affairs Fellowship in Canada; International Affairs Fellowship in International Economics; International Affairs Fellowship for Tenured International Relations Scholars (Annual Deadline: for all International Affairs Fellowships 7/1-10/31); Stanton Nuclear Security Fellowship (12/15/18) and others.

LINK: [CFR](#)

Research Fellowships

Folger Shakespeare Library
Deadline: 3/1/2019, 11/1/2018

Provides Long-Term residential fellowships (six-nine months) of up to \$50,000 for research in fields appropriate to the Folger's collection (British and European literary, cultural, political, religious, and social history of the 15th-18th centuries). Candidates must be advanced scholars who have made contributions in their fields. Short-Term Fellowships of \$2,500/month for up to three months are available for postdoctoral scholars. Annual deadlines: 11/1 for Long-Term; 3/1 for Short-Term.

LINK: [Folger](#)

Research Fellowships in Early American Economy and Society

Library Company of Philadelphia
Deadline: 3/1/2019, 11/1/2018

Offers three fellowships in residence to promote scholarship in early American economy and society. Postdoctoral research fellowships, with a stipend of \$40,000 (annual deadline: 11/1); dissertation-level fellowships, with a stipend of up to \$20,000 (annual deadline: 3/1); and one-month fellowships with stipends of \$2,500 each for scholars at all levels (annual deadline: 3/1). Topics include the history of early American commerce, technology, manufacturing, agriculture, internal improvements, gender economy, and political economy.

LINK: [Library Company](#)

Summer Seminars and Institutes (Participant)

National Endowment for the Humanities
Deadline: 3/1/2019

Provides stipends to undergraduate faculty to study humanities topics at a variety of Summer Seminars and Institutes. Stipends are based on the length of the seminar/institute to help cover travel costs, books and other research expenses and living expenses: \$1,200 (one week) to \$3,300 (four weeks). Adjuncts, CC faculty, first time participants encouraged to apply. Applicants apply directly to host campus and may apply to no more than two projects per year.

LINK: [NEH](#)

NSF/NIST

National Science Foundation
Deadline: 3/1/2019, 6/1/2019, 9/1/2019, 12/1/2019

Provides supplements to allow faculty & students receiving NSF support to participate in research at the National Institute of Standards and Technology laboratories (the Chemical Science & Technology Laboratory & the Materials Science & Engineering Laboratory & Physical Measurement Laboratory & User Facilities are the Center for Nanoscale Science and Technology & the Center for Neutron Research). Chemistry, materials research, molecular biology, bioengineering, & chemical engineering are centralized at these NIST laboratories. Annual deadline: supplement proposals accepted at any time.

LINK: [NSF](#)

Plant Genome Research Program

National Science Foundation

Deadline: 3/1/2019, 6/1/2019, 9/1/2019, 12/1/2019

Proposals are welcomed that build on genomics tools and sequence resources to develop conceptually new and different ideas and strategies to address grand challenge questions in plants of economic importance on a genome-wide scale. There is also a continued need for the development of novel and creative tools to facilitate new experimental approaches or new ways of analyzing genomic data. Proposals at all scales accepted. Annual deadline: applications accepted at any time.

LINK: [NSF](#)

Grants and Fellowships

Partnership for Clean Competition

Deadline: 3/1/2019, 7/1/2019, 11/1/2018

Supports scientific research advancing knowledge in the anti-doping sphere. Grant and Fellowships pre-applications are accepted awarded three times annually (annual deadlines: 3/1, 7/1, 11/1). For applicants invited to submit full applications, the due date is the first day of the month following the pre-application deadline. The PCC also offers micro-grants year round for grants requiring less than \$75,000 and six months to complete.

LINK: [Clean Competition](#)

Kress Grants

Samuel H. Kress Foundation

Deadline: 3/1/2019, 9/1/2019, 12/15/2019

Supports scholarly projects that promote the appreciation, interpretation, preservation, study and teaching of European art from antiquity to the early 19th century. Funding is offered in three areas: History of Art and Conservation (both have annual deadlines: 3/1, 9/1, 12/15) and Digital Resources (annual deadlines: 3/1, 9/1). Deadlines are for required LOIs. If deadline falls on a weekend, applications must be received by the previous Friday.

LINK: [Kress Foundation](#)

Small Business Innovative Research Program (SBIR)

U.S. Department of Education

Deadline: 3/1/2019

Supports Phase I and II awards to stimulate technological innovation to strengthen role of small businesses in meeting federal R&D needs, increase the commercial application of ED supported research results, and improve the return on investment from federally funded research for economic and social benefits. IHEs can serve as consultants. Deadline refers to Phase I applications. FY 19 solicitation expected January 31, 2019 with a deadline in mid-March.

LINK: [IES](#)

Joint Genome Institute

U.S. Department of Energy

Deadline: 3/1/2019, 7/31/2018, 1/15/2019

Supports basic, multidisciplinary research towards understanding plants, microbes, and microbial communities relevant to DOE missions in bioenergy, carbon management, and the environment. FOAs include Community Science Program (CSP) Annual Call (TBD); Joint Genome Institute/Environmental Molecular Science Library Collaborative Science Initiative (3/21/18); CSP New Investigator Call (3/1/19) Synthetic Biology (TBD); and DNA Synthesis (1/15/19). Deadlines for CSP Annual Call and JGI-EMSL refer to required LOIs.

LINK: [DOE](#)

Clinical Observational Studies in Musculoskeletal, Rheumatic & Skin Diseases (R01)

National Institutes of Health

Deadline: 3/4/2019, 7/2/2019, 11/4/2019

Supports clinical observational studies on musculoskeletal, rheumatic, or skin diseases or conditions. Specific examples of research areas of interest include: characterizing the frequency and/or severity of disease associated symptoms, correlation studies comparing biomarker to other outcome measures, testing clinical study recruitment strategies, collecting adverse event information, and collecting standard of care data. Optional LOI due 30 days before application deadline. Annual deadlines: early March, July and November through 11/4/20.

LINK: [NIH](#)

Pre-application for the NIH-Industry Program: Discovering New Therapeutic Uses for Existing Molecules (X02 Clinical Trial Not Allowed)

National Institutes of Health

Deadline: 3/4/2019, 10/31/2019

Supports projects that test new therapeutic uses for experimental drugs or biologics (Assets) across a broad range of human diseases in adult and pediatric populations. Strong applications will include scientific evidence that modulation of an Asset's target will have a positive impact on the disease/condition. Optional LOIs are due 30 days prior to the application due date. Annual deadlines: 3/4 and 10/31 through 3/5/21.

LINK: See [NIH](#)

Advanced Computing Systems & Services: Adapting to the Rapid Evolution of Science and Engineering Research

National Science Foundation

Deadline: 3/4/2019

Supports organizations willing to serve as service providers within the NSF Innovative High-Performance Computing program to provide advanced cyberinfrastructure capabilities and/or services in production operations to support the full range of computational- and data-intensive research across all of science and engineering. Project categories include Capacity Systems and Innovative Prototypes/Testbeds. Annual deadline: 3/4.

LINK: [NSF](#)

Thomas Jefferson Fund

French American Cultural Exchange Foundation

Deadline: 3/5/2019

Annually supports up to nine innovative collaborative and multidisciplinary research projects between young researchers in France and the United States that address pressing global challenges in the fields of Humanities and Social Sciences, of Science, Technology, Engineering and Mathematics and of Science for Society. Grants of up to \$20,000 over two years are split between the French and American teams. Co-financing from colleges and universities is encouraged. Funds travel, collaborative research activity, international workshops/conferences, and publication of joint articles.

LINK: [Face Foundation](#)

Bioengineering Research Partnerships (U01)

National Institutes of Health

Deadline: 3/5/2019, 7/5/2019, 11/5/2019

NIBIB & many NIH Institutes support research partnerships (U01) for basic, applied and translational multi-disciplinary research that addresses important biological, clinical or biomedical research problems. Partnerships are multi-disciplinary research teams that apply an integrative, systems approach to develop knowledge and/or methods. The goal of the program is to support projects that can realize meaningful solutions within 5 -10 years. Annual deadlines: 3/5, 7/5 and 11/5 through 1/8/22.

LINK: [NIH](#)

Unsolicited Grant Opportunities

U.S. Department of Education

Deadline: 3/5/2019

Supports unsolicited proposals for research, evaluation, statistics, and dissemination projects to provide reliable information about the condition of education, education practices that improve academic achievement, and the effectiveness of education programs. Any project that addresses these issues and is not covered under any other IES grant competition is eligible. Awards typically range from \$25,000 to \$200,000 per year for one to three years. Deadline refers to a six-page prospectus. Annual deadline: early March.

LINK: [IES](#)

Literature Fellowships: Prose and Poetry

National Endowment for the Arts

Deadline: 3/6/2019

Through fellowships (\$25,000) to published creative writers of exceptional talent in the areas of prose and poetry, the NEA advances its goal of encouraging and supporting artistic creativity and preserving our diverse cultural heritage by expanding opportunities for artists to interpret, explore, and create work. Program operates on a two-year cycle with fellowships in prose and poetry available in alternating years. The 2019 deadline is for prose (fiction and creative non-fiction) - approximately 50 awards are expected.

LINK: [ARTS.gov](#)

Improving Undergraduate STEM Education: Hispanic-Serving Institutions

National Science Foundation

Deadline: 3/6/2019, 9/18/2019

Supports efforts to enhance the quality of undergraduate STEM education and increase retention and graduation rates of undergraduate students pursuing degrees in science, technology, engineering, and mathematics at Hispanic Serving Institutions. Funding available on two tracks. The Building Capacity track open to all institutions and consisting of three priority areas: Critical Transitions; Innovative Cross-Sector Partnerships; and Teaching and Learning in STEM. The HSIs New to NSF track is open only to eligible institutions that have never received NSF funding, or that have not received NSF funding in the five years preceding the proposal deadline. Limited submission: Applicants may only submit one Building Capacity proposal.

LINK: [NSF](#)

International Research Scientist Development Award

National Institutes of Health

Deadline: 3/7/2019

Supports U.S. postdoctoral biomedical, epidemiological, clinical, social and behavioral scientists in the formative stages of their careers to conduct research (K01) in developing countries. These awards will support three- to five-years of protected time for mentored research and career development experiences, leading to an independent research career focused on global health. Annual deadlines: 3/7/18, 3/7/19 and 3/6/20 through 3/7/20.

LINKS: [NIH](#), [NIH](#)

Coastal Resilience Grants Program

U.S. Department of Commerce

Deadline: 3/7/2018

Supports efforts to build resilience by conserving and restoring sustainable ecosystem processes and functions and reducing the vulnerability of coastal communities and infrastructure from the impacts of extreme weather events, climate hazards, and changing ocean conditions. This program supports activities that restore or create natural

infrastructure and natural landscape features to provide valuable ecosystem functions and services, such as habitat for fish, improved water quality and quantity, flood reduction, and erosion protection. Deadline refers to required preproposals.

LINK: [NOAA](#)

Low-Cost, Short Duration Evaluation of Education Interventions

U.S. Department of Education

Deadline: 3/7/2019

Supports rigorous evaluations of education interventions that SEAs or LEAs believe will produce meaningful improvements in student outcomes within a short period (for example, within a single semester or academic year), that can be conducted at low cost, and that will provide policymakers with valid and useful results more rapidly than is typically achieved in education research. Applicants must be partnerships that include IHEs. LOI strongly encouraged by 1/10/19.

LINK: [IES](#)

Small Business Innovation Research (SBIR) Program

National Aeronautics and Space Administration

Deadline: 3/8/2019

Supports research by small businesses in areas of interest to NASA, including aeronautical propulsion and power, teleoperators and robotics, computer sciences and applications, human habitability in space, satellite communications, spacecraft systems and subsystems, instrumentation and sensors, aerodynamics and acoustics, and materials processing and micro-gravity. IHEs may subcontract with eligible small businesses. Announcement released 1/7/19.

LINK: [SBIR](#)

Help America Vote Act: Training and Technical Assistance

U.S. Department of Health and Human Services

Deadline: 3/8/2019

Supports training and technical assistance to states to promote full participation in the electoral process for individuals with disabilities. Assistance provision includes registering to vote, casting a vote, and gaining access to polling places; developing proficiency in the use of voting systems and technologies as they affect individuals with disabilities; and demonstrating and evaluating the use of such systems and technologies by individuals with disabilities.

LINK: [ACL](#)

Native American Graves Protection and Repatriation Act Grants

U.S. Department of the Interior

Deadline: 3/8/2019, 5/17/2019

Offers grants to assist in the consultation, documentation, and repatriation of Native American cultural items, including human remains, funerary objects, sacred objects, and objects of cultural patrimony. Consultation and Documentation grant applications (up to \$90,000) are accepted on a rolling basis until 3/9/19. Repatriation grant applications (up to \$15,000) are accepted on a rolling basis through 5/17/19 and must be submitted at least eight weeks before scheduled repatriation.

LINK: [NPS](#)

Small Business Technology Transfer Program (STTR) Program

National Aeronautics and Space Administration

Deadline: 3/9/2018

Invites small businesses to collaborate with research institutions on space-related R&D leading to commercial technologies advancing U.S. economic competitiveness. Areas of interest include: human operations in space, launch and payload processing systems, structures and materials, turbomachinery, space propulsion, and rocket propulsion

testing. Applications must be partnerships between academic institutions and small businesses. Solicitation expected to be released 1/7/19.

LINK: [SBIR](#)

Institutes for Advanced Topics in the Digital Humanities

National Endowment for the Humanities

Deadline: 3/12/2019

Grants of \$50,000 to \$250,000 are available to support national or regional (multi-state) training programs for faculty and graduate students to broaden and extend their knowledge of digital humanities. Multi-disciplinary teams are strongly encouraged and programs should include computer scientists as well as humanities scholars. Projects are allowed to include a mixture of collaborators from the public and private sector and specialists from within and outside the U.S.

LINK: [NEH](#)

EPSCoR Research Infrastructure Improvement Program Track-1, 2 and 4

National Science Foundation

Deadline: 3/12/2019, 7/3/2018, 11/26/2018

Supports improvements in eligible states' academic research infrastructure and national competitiveness. Track-1 supports research and education (7/3/18) Limited submission: one proposal per jurisdiction. See <http://tinyurl.com/nslh7ut> for details. Track-2 supports builds interjurisdictional collaborative teams of EPSCoR investigators (required LOI due by 11/26/18). Limited submission: one proposal per institution. See <http://tinyurl.com/pjrcf7z> for details. Track 4 supports non-tenured investigators through collaborative visits to premier research centers (3/12/19). Limited submission: three proposals per institution. See <http://tinyurl.com/ojgtdac> for details. Deadlines refers to required LOI. Cost sharing required.

Science and Technology Initiatives

U.S. Department of Justice

Deadline: 3/12/2018

Supports research/development/evaluation activities aimed at reducing crime, enhancing public safety, and improving the administration of justice. FY18 program includes Graduate Research Fellowship in Science, Technology, Engineering, and Mathematics, supporting universities looking to sponsor doctoral students with strong backgrounds in STEM and encourage dissertation research in addressing public safety concerns, crime prevention, and criminal justice reform in the United States.

LINK: [OJP](#)

Young, Independent, and Distinguished Investigator Grants

Brain and Behavior Research Foundation

Deadline: 3/13/2018

Supports basic and clinical research on severe psychiatric brain disorders. Research must be relevant to schizophrenia, mood disorders, depression, autism, PTSD, OCD, ADHD, or other serious mental illnesses. Young Investigator Grant supports two-year awards for \$35,000 per year (TBD); Independent Investigator Grants (TBD) provide \$50,000 per year to associate professors who have prior national support; and Distinguished Investigators Awards offer full professors \$100,000 for one year (TBD).

LINK: [BBR Foundation](#)

Grants to Reduce Violent Crimes on Campus

U.S. Department of Justice

Deadline: 3/14/2019

Provides awards to IHEs to develop and strengthen security and investigation strategies to reduce violence on campuses. Requires that IHEs partner with private, nonprofit, nongovernmental victim service providers and local

criminal justice or legal agencies to develop policies that treat violence against women as a serious offense and develop programs that emphasize safety and offender accountability.

LINK: [Justice.gov](https://www.justice.gov)

Millard Meiss Publication Grants

College Art Association
Deadline: 3/15/2019, 9/15/2019

Supports book-length scholarly manuscripts that have been accepted by a commercial or university publisher but that cannot be published in the most desirable form without a subsidy. Works must focus on art history, visual studies, or related subjects. Museum catalogues, excavation reports, articles, collections of previously published essays, or multi-author volumes are ineligible. Awards typically between \$3,000 and \$7,000. Commercial, university, and museum presses are all eligible. Applicants must hold CAA membership. Annual deadlines: 3/15, 9/15.

LINK: [College Art Association](https://collegeartassn.org)

Research Travel Grants Program

Gerald R. Ford Library and Museum
Deadline: 3/15/2019, 9/15/2019

Provides approximately 12 awards of up to \$2,200 for travel and living expenses to use the library's archival materials relating to 1960-70s U.S. domestic and economic policies, foreign affairs and national politics. Annual deadlines: 3/15, 9/15. In addition, one \$5,000 award is given annually to one individual to support dissertation research on an aspect of the U.S. political process during the latter part of the 20th Century. Annual deadline: 3/31.

LINK: [Ford Library Museum](https://www.fordlibrarymuseum.gov)

Research Fellowships

Lyndon Baines Johnson Library and Museum
Deadline: 3/15/2019, 9/15/2019

Supports short-term research at the Johnson Library, which houses the papers of LBJ's career. Harry Middleton Fellowship in Presidential Studies offers two \$5,000 fellowships annually to support scholarly work in presidential studies and to honor Middleton's contributions to the Presidential library system. Moody Research Grants are allocated at \$60,000 and offer \$600 to \$3,000 to grantees to help defray living, travel and related expenses incurred while conducting research at the LBJ Library during the grant period. Annual deadlines: 3/15, 9/15.

LINK: [LBJ Library](https://www.lbjlibrary.org)

Campus Ecology Fellowships

National Wildlife Federation
Deadline: 3/15/2018

Provides up to \$3,000 to allow graduate students to pursue tangible projects that confront global warming on campus and in the community. The program has four track options: Community Management Assessment, Market Research, Career and Technical Education, Labor Economist Research. Fellows gain practical experience in the conservation field and first-hand knowledge of the challenges and opportunities inherent in successful conservation efforts.

LINK: [NWF](https://www.nwf.org)

Applied Social Issues Internship Program

Society for the Psychological Study of Social Issues
Deadline: 3/15/2019

Provides awards ranging from \$300 to \$2,500 to college seniors, graduate students, and first-year postdoctoral researchers in psychology, applied social science, and related areas, for social issues research in cooperation with a community or government organization, public interest group, or other not-for-profit organization that will benefit from

the project. Eligibility is limited to SPSSI members. Annual deadline: 3/15. Cost sharing is desirable. Other awards may be available with different deadlines.

LINK: [SPSSI](#)

Research Grants, Fellowships and Awards

Human Frontier Science Program

Deadline: 3/18/2019, 8/10/2018

Supports interdisciplinary, international research on complex mechanisms of living organisms. Research grants provides for teams of scientists from different countries to combine their expertise in approaches to questions that could not be answered by individual laboratories. Areas of interest are brain functions and molecular approaches to biological functions. Deadline refers to the date the application process must be started.

LINK: [HFSP](#)

Disability and Rehabilitation Research and Related Projects

U.S. Department of Health and Human Services

Deadline: 3/18/2019

Supports research, demonstration projects, training, and related activities to improve the lives of individuals with disabilities. Projects may support research relating to the development of methods, procedures, and devices to assist in the provision of rehabilitation services, particularly to persons with severe disabilities. Several programs available.

LINKS: [ACL](#), [Grants.gov](#)

Quality of Life Grants

Christopher and Dana Reeve Foundation

Deadline: 3/19/2019, 10/29/2019

Quality of Life Grants provide up to \$25K for individual grants to improve opportunities and quality of life for individuals living with disabilities (primarily paralysis) and their families. Activities supported include access, advocacy, education, recreation and technology. Special consideration is given to organizations serving returning wounded military and their families and diverse cultural communities. Limited submission: one submission allowed per cycle.

LINK: [ChristopherReeve.org](#)

Research Fellowships

National Gallery of Art

Deadline: 3/21/2019, 9/21/2018, 10/15/2018 (Target date)

Fellows have access to the National Gallery, its library and the Library of Congress to support research on the visual arts from a variety of approaches. Programs include: Senior Fellowship offers up to \$50,000 (10/15); Visiting Senior Fellowship offers up to \$8,000 (3/21; 9/21); Predoctoral Fellowships up to \$30,000 (11/15); Predoctoral Fellowship for Travel Abroad for Historians of American Art offers up to \$6,000 (11/15); and A. W Mellon Postdoctoral Fellowship offers up to \$50,000 (10/15/19).

LINK: [NGA](#)

NFPF Grants

National Film Preservation Foundation

Deadline: 3/22/2019

Supports public and nonprofit archives for lab work to preserve culturally and historically significant film materials. Program features three types of grants: Basic Preservation Grants offer up to \$18,000 (Registration deadline: 3/22/19); Matching Grants offer up to \$40,000 ((Registration deadline: 3/22/19); and Avant-Garde Masters Grants offer up to \$50,000 (Registration deadline: 3/9/18). New guidelines expected in December 2018.

LINK: [FilmPreservation.org](#)

Research on Research Integrity

U.S. Department of Health and Human Services

Deadline: 3/23/2018

Supports research on research integrity in areas that have been inadequately explored, such as evaluating the effectiveness of education and training in the responsible conduct of research (RCR); discovering mechanisms that institutions can effectively employ to foster RCR and discourage misconduct; and building on knowledge of the factors affecting a researcher's behavior. Deadline is for research and conference grants.
